

Hoophouse Plastic Warranty

The plastic film covering provided is 6 mil plastic and is covered by a 4 year limited warranty.

The warranty is valid so long as the original installation of the plastic is not altered. If alterations or adjustments of the plastic are made — including, but not limited to: removal and re-installation of wiggle wire, re-pulling plastic, or modifications of the end-wall framing — the warranty may become void.

Damage to plastic caused by customer negligence or accident will not be covered under the warranty.

We encourage you to reach out to us first before doing any work that may affect the plastic.
